info@egst.de
newspapers, catalogues, magazines, books, uncoated cardboard packaging, cartons (frozen food, detergents etc.), envelopes

hollow glass like jam jars, wine and champagne bottles, baby food glasses, perfume bottles
Not for window glass, light bulbs or mirrors!

cleaning agents, liquid paints and varnishes, aerosol cans with residual contents, medicines, paint brush cleaners, batteries, herbicides, pesticides, wood preservatives

The hazardous waste truck “Schadstoff-mobil” stops minimum 4 times a year in every commune in Kreis Steinfurt. Citizens don’t have to pay for the disposal of their hazardous waste.

You can find the schedule for the Schadstoff-mobil on www.egst.de.

The collection points for used electrical devices you can find on our website as well.
